Thank you for your time and contribution to help make this year's Powwow for Hope a success!

Without you this event would not be possible!

1. About Powwow for Hope

The 8th annual Powwow for Hope is on Saturday, May 4, 2019. Powwow for Hope, the nation's only known cancer awareness powwow, is a community event that honors loved ones who have battled or are fighting cancer by creating a space for healing. Proceeds benefit the American Indian Cancer Foundation's work to eliminate cancer burdens on American Indian families throughout Indian country. Proceeds from past events have allowed us to create and deliver culturally-relevant cancer prevention resources to more Tribal and urban communities, connect American Indian cancer survivors and caregivers to healing and supportive services, and partner with more Tribes to change the outcome of cancer in our communities.

LET'S DO MORE! With your help we can enhance our services, develop a survivorship support program, deliver cancer care packages, provide cancer education to more communities, as well as create more resources for those in need. Funds will also be used to build larger campaigns and initiatives to address the cancer inequities faced by our communities.

Volunteers contribute greatly to the success of this annual community event and fundraiser. We cannot do this work without YOU!

4. Volunteer Duties (& Check-in)

When you arrive at the Powwow for Hope, please go to the Volunteer table. Look for the “Volunteers” sign. This is where you’ll check-in, receive your t-shirt, button, and lanyard listing your shift time(s) and stations. This year, we are providing volunteers with lanyards to wear during their shift which will display shift time(s), so staff are aware of who is on volunteer duty at a specific station at any given time.

Volunteers need to return to the Volunteer station when assigned duties are completed and are in need of a new next task. This is extremely helpful for AICAF staff to come to one area and have volunteers ready to help out when and wherever needed. So when in doubt, go to the Volunteers table!

We have accounted for some overlap between shifts to ensure that all new coming volunteers are registered before the prior shift is over. Therefore, please do not leave your area until relieved by the new incoming volunteer. We greatly appreciate your assistance!

Descriptions of Volunteer Duties are listed below. After reading about each position, please choose one (or more) that you are interested in to relay back to Volunteer Committee!

Teams Donations (Accounting)

Because Powwow for Hope is a fundraising event, there are several teams fundraising during the Powwow simultaneously. We rely on volunteers to assist with counting and organizing the funds raised in an efficient, accurate, and accountable way. A staff member is in the accounting room at all times for your assistance. If a staff member is not present, the room will be closed.

Teams Donations Opens at 12 PM. It will close briefly prior to Grand Entry for enjoyment of Grand Entry and AICAF staff recognition. Although it is scheduled to **close at 6:30 PM**, more donations may come in after. Volunteers are expected to stay to help count donations.

Note: “Donations” may include cash, coins, checks, MoneyGram, etc.

There is a **Team's Donations Table** stationed outside of the Accounting room. A staff and volunteer will greet team members, count the donations, issue a receipt, and prepare for the accounting room. Each donation must be counted twice to ensure accuracy, have a receipt issued (white copy to team member, yellow copy attached to donation), sealed in an envelope; and, given to the accounting room for final count and deposit preparation. Two to four volunteers are inside the accounting room to recount the money, record amounts, and prepare deposits. A staff member is involved in this process and will tally team donations deposited. A staff member will record team totals throughout the day on the online fundraising platform to inform teams (which may even create competition between the teams!)

Duties include:

Teams Donations Table (outside of accounting room):

- Greet team members who drop off or “bank” their donations throughout the day
- Count donations (Volunteer 1, then Staff (or vice versa); at least twice for accurate total)
- Issue white receipt to team member (even if they refuse!)
 - a. All donations must have receipts!
- Seal donations in an envelope and include/attach yellow receipt
- Accounting room will collect envelopes located outside of door when ready

Team Donations Accounting Room (inside):

- Get envelopes from outside (after all other donations have been prepared for deposit, recorded, and accounting table is clear)
- Donations are counted to verify accuracy of receipt (revise yellow receipt if necessary).
- Checks are stamped
- Verified donations are ready for deposit (hold receipts for next two steps)
- Fill out deposit slip
- Donations and white deposit slip are placed into a deposit envelope (no receipts)
- Receipts are paper clipped to pink copy deposit slip in booklet
- Deposit slip copy and receipts are given to staff for review
 - Staff reviews deposit slip and verifies with receipts
 - Staff records all team totals/donations based on receipts
 - Staff seals deposit envelope
- Deposits are picked up for deposit (Must be Staff approved!)

Signs/Parking

With two parking lots and high volume of guests, we need volunteers to coordinate traffic flow and provide directions to the overflow lot. There are some reserved parking spaces in the lot that volunteers will direct people away from. Guests may be coming from the light rail station. Therefore, volunteers will place traffic/directional signs and may draw chalk signs on the sidewalk along the route to the building (from overflow lot and from the light rail). A map will be provided indicating where signs need to be placed in the morning and picked up in the evening.

During the Powwow, we need volunteers in the two lots and stationed at the light rail at all times. These will be two-hour shifts.
